THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:

(L.S.)

You are hereby notified to meet at Town Hall in said Loudon on Tuesday, the 11th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Polls will open at 9:00 A.M. and close not earlier than 7:00 P.M.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to allow 2% discount on all property taxes paid within thirty days after presentation of tax bill.

4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year, and to issue in the name and on the credit of the Town of Loudon negotiable notes therefor, said notes to be paid in 1969 from taxes collected during the current municipal year.

5. To see if the Town will raise and appropriate the sum of \$2,000.00 for the Highway Capital Reserve Fund.

6. To see if the Town will vote to raise and appropriate

the sum of \$221.00 for the Concord Hospital to help defray their estimated deficit for the year 1969.

7. To see if the Town will raise and appropriate the sum of \$1,000.00 for the Fire Department's Capital Reserve Fund as set up in the 1963 Town Meeting.

8. To see if the Town will vote to publish the taxes of each property owner for 1967 and 1968 in pamphlet form for the distribution to taxpayers on request and to appropriate funds necessary for the cost of same. Valuations of land, buildings and other taxes listed separately. By petition.

9. To see if the Town will vote to prohibit bathing and swimming at the Public Beach on Clough Pond, except for residents and property owners of the Town of Loudon and bona-fide guests accompanied by a resident or property owner.

Penalty: Any person in violation of this ordinance, shall, on conviction, be fined not more than twenty-five (\$25) dollars.

This ordinance shall take effect on May 1, 1969.

10. Amendment to the Building Code:

To see if the Town will vote to amend the Building Code enacted by ordinance at the March 12th, 1963 Town Meeting to require a building permit for any additions or alterations to buildings or trailers within the limits or boundaries of the incorporated Town of Loudon.

11. Amendment to the Building Code:

To see if the Town will vote to amend the Building Code enacted by ordinance at the March 12th, 1963 Town Meeting to strike out the words "used for human habitation" as they may appear in the ordinance or in any amendment, since enacted.

12. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and Sixty-Nine.

Selectmen of Loudon

On Veterans' Day, 1968, the town of Loudon dedicated an Honor Roll, erected on the green in front of the Maxfield Library, to honor those men of the town who have made the supreme sacrifice. The Honor Roll is a gift from Mr. and Mrs. Robert Haines, in memory of their son, S/Sgt. Robert F. Haines, who died in action in North Vietnam, August 27, 1967.

SELECTMEN'S REPORT 1968

We are pleased with the cooperation of many of the townspeople in clearing up junk cars. We had a wrecker come in and clean up many of the cars including the ones at the dump. Many more remain, however, and again we urge your cooperation in complying with the junk car law.

The selectmen have worked closely with the planning board this year in an effort to clarify the present zoning ordinances and bring about better conditions for the good of the town as a whole.

The town beach will show a marked improvement this year with the installation of rest rooms and with the passage of an ordinance to control the beach for the benefit of the townspeople.

We attended assessors' training programs to better equip ourselves for the task of fair and equitable assessing, and, as most people can testify, we made a house to house visit to accomplish this effort. This year we want to call on all whom we didn't visit last year and bring our records up to date. With this in mind we urge you to send in your inventory forms with the information that will help us. We want to remind you that we hold "Tuesday Night" meetings for your benefit. If you have questions or need information we are open from 8:00 P.M. to 10:00 P.M.

We hope the taxpayers will realize that the business of running the town grows each year. More paper work is required by the state; more money expenditures call for more bookkeeping, and the time spent to cope with this increased work load has caused us to update our facilities with a new calculator last year and to buy a new typewriter this year. We hope to modernize and streamline the bookwork involved with the selectmen's office.

We are concerned with the proposed budget; to get one hundred cents' worth for every tax dollar; to keep the tax rate from spiralling further; we have tried to hold the line

within the jurisdiction of the selectmen. The school budget you will have to hold by attending school board meetings.

This year the town lines had to be walked, the markers located and repainted. This was done with other boundary towns and incurred some unforeseen expense because a surveyor had to be hired to locate two markers.

Heretofore town insurance has been an accumulation of different policies. For the past two years we have devoted many hours to the insurance problems of the town to bring it up to date, and to try to cut the rapid growth in cost which was brought about by the new compulsory laws. In doing this we have put the insurance into a package plan, submitting it for bids from various insurance companies. By doing this we would have one agent responsible for the town's needs. We receive increased coverage, although the cost will remain about the same.

This office wishes to thank Mr. Nat Stevens, Mrs. Jessie Cate, and all other town officers for their help in town duties.

Respectfully submitted

DONALD F. WILLEY

ROAD AGENT REPORT

This past year has seen approximately $11\frac{1}{2}$ miles of paved roads for Loudon.

The Chichester Road was completed from Route 106 to Chichester Town Line, financed by Town Road Aid (T.R.A.) Funds received from the State of New Hampshire.

Another road completed was Mudgett Hill Road from the top of Mudgett Hill to Canterbury Town Line. This project was excavated, graveled and blacktopped with money from Duncan Fund (Gas Tax). Each year as money is made available, we plan to continue this policy throughout the town, for safer and more trouble free conditions.

In deciding where the next T.R.A. Project would be, thought was directed to Oak Hill Road, because of its importance as a through road to Concord and the Turnpike. Land releases have been obtained and work started on the hill. This road will be widened and graveled 28 feet wide, with 20 ft. wide surface.

Our regular maintenance this year was primarily the same as previous, with ditching and widening of part of the Gage Road, with more to come next year.

Another section of Bumfagon Road was widened this past fall, and will be graveled this coming spring.

In reviewing our bridge work, thoughts have been directed to the Ricker Bridge. With ever increasing public and School Bus travel, plans are being formulated for a possible Box Culvert, thereby replacing the wooden bridge.

New culverts were installed on Lovejoy Road, Ridge Road, Shaker Road, and Brown's Hill on Currier Road.

This year in studying our road system further, it was decided to contact the Traffic Division of the State Highway Department. Consequently through their help and assistance, we have purchased and erected road marking signs on most of the main blacktop roads.

As you will notice our costs on highway salt have gone up, primarily because of higher prices to us, and more and more black top roads each year. With the ever increasing travel of today, we will strive to keep our roads as free from ice and snow, and continue to keep as safe a town to live and travel as possible.

Thank you for your help and cooperation.

The Bookmobile has made four visits leaving a total of two thousand six hundred and twenty nine books this year.

A section of the Reading Room has been converted into a Children's Nook. This has proved to be most satisfactory as well as convenient for the girls and boys using the Library.

New colorful drapes have been added giving the Library a new look as well as a warm atmosphere. The material was purchased from the Special Fund and the drapes were made by Mrs. Isabelle Prescott, a Trustee.

The Library is open from one until five and from six until eight on Mondays and Wednesdays. On Fridays the Library is open from one until four. We close on Holidays.

This is your Library. Please use it.

REPORT OF PLANNING BOARD

Members:

Homer F. LaBonte, Chairman
 Benjamin E. Smith
 Raymie K. Rattee
 Richard A. Murphy
 Ray S. Cowan
 Donald F. Willey, Ex-Officio
 Stanley H. Prescott, Secretary

The Board held ten regular meetings during the year. All meetings were open to the public so that interested citizens might attend and present their ideas and suggestions.

During the year, the Planning Board, with the Selectmen, (Board of Permit) considered the question of Trailer Parks, Land for Commercial Usage, A Drag Strip, Up.dating the Loudon Directory, A Zoning Ordinance, Locating Industry for the Town, Water or Mill Rights on the Soucook River, Boating on Clough Pond, An Ordinance on Bathing at Clough Pond, An Amendment Relative to Additions to Buildings and Trailers and the Locating of Buoys and a Raft at Clough Pond.

The need for Zoning in Loudon is becoming of greater importance to the Town each year, due to the enactment of zoning ordinances in nearby towns. The Planning Board, with the help and assistance of the townspeople, plan to draft an ardinance this coming year that will be beneficial to the Town. Regular meetings of the Planning Board are held each month and the public is invited.

We welcome ideas and suggestions which may be helpful in planning for the future of the Town of Loudon.

FIRE DEPARTMENT REPORT

1968 proved to be another good year for the Loudon Fire Department. There were eight more calls than the previous year of thirty-five; but total property damage was much less. This kind of record is made possible only by people being ever mindful of the dangers of fire. To report immediately any fire or smoke that looks suspicious which cannot be accounted for. Only through the continued efforts of everyone will we be able to boast of a record such as this.

This year we have been able to add another Scott Air Pack, which will greatly lessen the dangers involved of a man entering a smoke filled room or building alone.

We have also purchased a portable radio that will be helpful in wood-land fires or rescue calls.

This coming year we are asking for a small increase in the department budget, due to changes being made by the Telephone Company on Route 106 where our Fire Alarm system extends. This change will greatly improve the effectiveness of the system and help to cut down on repairs that presently occur throughout the year.

At this time I want to thank everyone who helped to build the Loudon Fire Department to what it is today. The Ladies Auxiliary, local organizations, individual help, and also the Voluntary Firemen who willingly give their time to answer a call, whether night or day for any emergency. Efforts such as this will continue to improve our fine record for 1969 and we hope years to come.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

People cause fires. Our records show that the number of fires increases in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal braziers in your own back yard is permitted on notification of the warden.

- b. The warden is forbidden by regulation to allow burning of household rubbish or *grass* by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

POLICE REPORT

The Police Department would first like to thank the people of our town for the added interest and excellent cooperation we have been given. This interest has proven on a number of occasions an aid in the prevention of — or to be the answer to — an offense that had been committed.

This year we have been more than busy for a part time department. We have averaged more than a complaint a day which has warranted sending out an officer to cover.

We have had more breaks and larcenies with a loss of property value of more than \$1,000.00, from which \$4,700.00 was recovered. Most of these breaks occurred during daylight hours. Vandalism to private property, the school, town equipment, signs and cemeteries were also a large expense to the tax payer, amounting to over \$1,000.00.

Our expenditures exceeded our budget again this year due to a large increase in complaints, plus the motorcycle vent in the fall whose cost was not covered by the motorcycle association. We also took advantage of an offer to purchase a radio on the Sheriffs band and also the use of another radio for converting same at a cost of a little over \$200.00 with a return value of around \$1,200.00 if equipment was purchased new.

This year the Department sent two men to a Firearms School for one week at Wakefield, Mass., sponsored by the

F. B. I. Both men qualified with high scores and our only cost to the town was for ammunition. We plan to run a school for the rest of our men and also plan to include other departments.

This year we are asking for a large increase over last year's budget due to the large quantity of complaints and also the increase in events at the track warranting patrol of the town. A large portion of this, during the past year, was brought back to the town via the court.
